WHO WE ARE

SCA-Nexus is a strategic IT advisory firm founded by Sergio Castro, a global technology executive with over 30 years of experience in digital transformation, IT strategy, governance, and leadership development. We partner with organizations and leaders who seek clarity in complexity and impact through innovation.

WHY SCA-NEXUS?

Our advantages are:

30+ years of global IT leadership experience

Executive-level engagement with hands-on delivery

Custom, high-impact frameworks—not off-the-shelf models

COMPANY VISION AND MISSION

Our Vision

To be a trusted advisor to future-ready organizations navigating change, complexity, and growth.

Our Mission

To help organizations transform technology into a strategic advantage by aligning people, processes, and platforms toward measurable outcomes.
